

Date: October 18, 2006

To: Our Valued Customers

Reference:

EU Directive 2002/95/EC on the restriction of the use of certain hazardous substances in electrical and electronic equipment know as RoHS.

Declaration:

To the best of our knowledge, the products listed in the “Fluid Metering, Inc. RoHS Compliant Family of Products” (Table A/Sheet 2) DO NOT contain any known or intentionally added substances that are banned as described in the EU Directive 2002/95/EC.

The information provided may, or may not, be based upon actual test data, or on information from our Vendors, Raw Material Suppliers and Material Safety Data Sheets.

If the product you are inquiring about is not on the reference list, Table A/Sheet 2, please contact Fluid Metering, Inc. and we will review your specific request.

Harry E Pinkerton III

TABLE A

No.	Product Family	Description	Compliance Date
1	"RH" Miniature Motorless	RH Pump Heads and all Piston/Cylinder Groups	April 10,2006
2	STH Dispenser/Pumps	STH Pump Heads and all Piston/Cylinder Groups	April 10,2006
3	STQ Dispenser/Pumps	STQ Pump Heads and all Piston/Cylinder Groups	April 10,2006
4	Q Pump Head Modules	Q Pump Head Modules all styles	April 10,2006
5	QD Pump Drive Modules	QD Pump Drive Modules 115 vac 60 hz QD Pump Drive Modules 230 vac 50 hz	August 9,2006
6	RHB Direct Current	RH Pump Head with "B" Motor	October 3,2006
7	V300	"V300" Automatic Rate Control/System	December 5,2006
8	QV-3	QV Variable Speed Pump Drive Module	December 5,2006
9	Q2V-3	Q2V Ratiomatic Proportional Dual Head Pump Drive Module	December 5,2006
10	RHV-3	RHV Pump Low Flow	December 5,2006
11	QP	QP Motorless Pedestal	June 3,2008
12	PIP	PIP Precision Dispenser 115vac 60 Hz	June 3,2008
